SINCE 1806

RI Fruit and Syrup is pleased to announce the addition of Gosling's Ginger Beer to its family of quality dispensed beverages. Ginger Beer is a spicier, heavier sibling to Ginger Ale and authentic Gosling's Ginger Beer is a perfect drink as a stand-alone beverage or a quality cocktail mix for today's discriminate taste buds.

Now available in 1.5 and 3.0 gallon Bag in Box, this key ingredient to quality cocktails has gained unprecedented growth in recent years and has earned its bar gun spot in many trendy bars and restaurants.

Whether it is mixed with Gosling's Black Seal Rum to make a classic Dark 'N Stormy cocktail or with your favorite Vodka for a Moscow or Texas Mule, dispensed Gosling's Ginger Beer provides you with options for today's trends and growing customer tastes!

Gosling's Black Seal Rum has been Bermuda's quality choice since 1806 and dispensed Gosling's Ginger Beer provides the perfect balance between sweetness and spice.

Granny Squibb's iced teas are as "astonishingly delicious", robust and refreshing as the home-brew Granny Squibb made at her home years ago overlooking Narragansett Bay in Saunderstown, Rhode Island.

Today, their teas are still made with the same few and familiar ingredients. They use all certified USDA organic ingredients. They are certified gluten free, kosher, and non-GMO. They don't use preservatives, additives, sodium, artificial flavors or high fructose corn syrup, and our teas are bottled in sustainable glass and aluminum cans. No wonder they taste as if they just came out of Granny's ice box!

Now, they have four flavors: Sally's Lemon, Mojito Lime, Charlie's Cranberry, and Porter's Peach. Check them out!
