We  our customers

ABOUT US

We are proud to continue our 50+ years of serving the region's food service industry. It's you, our customers, whose feedback has helped us offer the region's widest selection of ice cream products at highly competitive prices. Our staff is focused on providing you with the best customer service experience possible. We do our best to get your products to you on your promised delivery day. However, as some things may be out of our control (i.e. weather, distributor delivery delays), we will do our best to get your delivery out to you as early as possible once the item is back in stock.

COMPETITIVE PRICING: We will do our best to offer our customers competitive pricing with a competing delivery food service company you may currently do business with. Simply provide us with a copy of a sales quote, invoice, or order receipt showing the date, price, and the product description. Competitor pricing must be for the same, identical item(s) and package size, and be dated within the last 30 days from the time of your request. The pricing **must be** from distribution companies with truck delivery service to your business. We will do our best to either come close to, match, or beat their pricing; however, we cannot guarantee any price matching. The price for that item will stay in effect through the remainder of that season. Please submit your price match requests annually.

BULK CASE PURCHASING

Our relationship with our customers is what keeps us going strong, and we want to reward you for your loyalty to our business. We are offering a discount on items when you buy one case or more. **This discount only applies to full-case items**, and the discount is applied at the time of purchase (discount applies to items individually packaged in cases - some items are excluded).

MINIMUM ORDER REQUIREMENT AND DELIVERY FEE

For orders under \$200.00 - delivery fee is \$7.00

For orders \$200.00 - \$500.00 - delivery fee is \$3.00

For orders over \$500.00 - delivery fee is \$0.00.

* Case Pricing is offered on Select items only *

PLEASE NOTE: We make every effort to provide our customers with the most accurate pricing in our catalog. In the event a product is listed at an incorrect price due to a typographical error or error in pricing information received from our suppliers, we shall have the right to refuse or cancel any orders placed for the product(s) listed at the incorrect price.

Granny Squibb's iced teas are as "astoundingly delicious", robust and refreshing as the home-brew Granny Squibb made at her home years ago overlooking Narragansett Bay in Saunderstown, Rhode Island.

Today, their teas are still made with the same few and familiar ingredients. They use all certified USDA organic ingredients. They are certified gluten free, kosher, and non-GMO. They don't use preservatives, additives, sodium, artificial flavors or high fructose corn syrup, and our teas are bottled in sustainable glass and aluminum cans. No wonder they taste as if they just came out of Granny's ice box!

Now, they have four flavors: Sally's Lemon, Mojito Lime, Charlie's Cranberry, and Porter's Peach. Check them

If this occurs, we recommend that you submerge the gallon(s) in a sink full of hot water in order for the sugar to be mixed back into the solution. Please shake after container is brought back to a warm temperature in order to incorporate all the ingredients.
